

JULY 29, 1908.

Change in Echo Force.

After a service of nineteen years in the office of this paper, Mr. D. R. Finley severs his connection with the paper tonight. He has been a faithful worker early and late in all of the years gone by and only leaves at this time to accept a higher position with the Taylor Brothers Candy Co. of Battle Creek where he will have charge of the printing office run in connection with their business. He assumes his new duties at once.

The new foreman of the office is Mr. E. Frank Johnson of Lansing who comes with the highest of recommendations as a printer, having had a number of years experience in the large offices of Lansing, Flint and St. Johns. Mr. Johnson thoroly understands all departments of the business and we can assure our patrons that all work intrusted to this office will receive the attention in every respect.
