### Monday Musical Meeting.

The Monday Musical is a little over twenty-five dollars richer as the result of the meeting held Monday evening. Each member had agreed to earn one dollar toward the amount still due on the piano.

At the supper hour, the club gathered around a long table loaded with all the eatables which constitute a good repast and a social meal was enjoyed. At the close each one handed in their money relating their manner of earning it. All kinds of work had been resorted to, mending, cleaning paths, laundry work, baking, fancy work, peddling and singing. A musical program was also given by Division A and the club dispersed thinking this a pleasant way of earning money.
