**VISITED PINE LAKE**

A party of eleven girls from Vermontville occupied one of the cottages at Pine Lake resort near Olivet last week. Those in the party were: Nancy, Bobbie, Jack, Peggie, Mickey, Dolly, Billie, Bennie, Stub, Betty and Slim. They were chaperoned by Myrtle Belle.

They arrived at the resort on Sunday afternoon and found that they could not get in their cottage until Monday forenoon, but a sleeping porch and cots were provided at number seven cottage through the kindness of Mr. and Mrs. A. L. Barningham.

The daily program provided for a morning dip, but after the first morning, the girls merely walked to the bank overlooking the lake and returned to the cottage.

The girls were delighted with the good eats which were sent to them by their friends and especially those coming from the Loveland's and Faust's.

On Thursday the annual parish picnic of the Congregational Church was held at the lake and the girls were guests of the picnickers at a bounteous dinner.
