Wednesday evening, Nov. 24 V. H. S. played the Alumni Basket Ball team. The girls game throughout was intensely exciting as the scores were very close. The final score was 12-13 in favor of the High School.

As all of the Alumni team was not present at the beginning of the game, the High School subs filled the vacancies for the first half. No subs were needed on the High School team. Mr. Roy Mathews was the referee.

Although the H. S. boys lost to the Alumni team they showed a great deal of improvement. The boys are working hard to get in shape for the Woodland game, Friday, Dec. 3. Woodland has a fine gym; and it has been rumored that they have even a better team this year than last. But, nevertheless, the boys are determined to give them a run for their lives.
