

**GRANGE RECEPTION FOR  
REV. ROGERS AND FAMILY**

The farewell reception tendered Rev. H. H. Rogers, Mrs. Rogers and family Monday evening was large attended, showing the love and high esteem Vermontville Grange holds for this family.

The evening was spent in social conversation and a program, consisting of music by the Kamienksy-Rogers orchestra, talks by E. W. Stevens and Mrs. O. B. Tubbs, a piano solo Mrs. F. E. Wilson, two songs by the chorus choir of which Mr. Rogers has been leader, poem, Miss Bessie B. Granger, violin and piano music Mr. and Mrs. Walter Ford, closing remarks by F. E. Hay and presentation of a set of salad forks and sum of money to Mr. and Mrs. Rogers. They both responded and expressed their thanks for the gifts received and spoke of the pleasures they had enjoyed here especially in Grange work and regrets in leaving the many friends in Vermontville. Two more numbers by the orchestra were enjoyed. Refreshments followed the program and at a late hour a group flashlight picture was taken of the more than one hundred present.

By special request we publish Miss Bessie B. Granger's poem.

Each of his children, some one gift  
To be used for the good of mankind;  
But out of the masses, some few He  
must choose  
And these have extra talents, we  
find.

Let us each do his best to serve long  
and well  
Be our talents many or few;  
And then in the end we may hear  
the glad words,  
Thou art a good servant, and true.

To Mr. Rogers and wife should fall  
such a lot  
For surely they have given us much.  
Whatever our need, they were ready  
to help  
And good luck seemed to come at  
their touch.

In church, in the Grange, and in  
school P. T. A.  
We shall miss them again and again.  
We find words are weak when we  
want them to say  
A bit of real thanks to a friend.

But nevertheless, 'tis real thanks  
that we feel,  
'Tis the same that we try to express;  
And wherever the family of Rogers  
may roam,  
We send our best wishes for success.
