(Jackson Citizens-Patrol)

Edwin E. Moore, 103 North Wisner street, who made his final run on the Michigan Central last week after 41 years of service, will be honored by the Brotherhood of Railway Trainmen at a meeting to be held Tuesday afternoon in the brotherhood's hall at East Michigan avenue and Orange street.

Mayor W. W. Wright, who is a former railroad man and a member of the B. of R. T., will be a speaker at the meeting, it was announced Saturday. Mayor Wright and Moore have been friends since early railroading days.

Although Mr. Moore is 70 years old, he gives the impression of being a much younger man. He first entered the employ of the Michigan Central in 1888 as a freight brakeman. He left the service in 1895 and for four years operated a farm near Vermontville. In 1899 he went back to the road and for several years past, he has been a freight conductor on the main line. Robert E. Chance was born in Wood County, Ohio, June 15th, 1858, died March 8th, 1934, with acute asthmatic bronchitis, aged 75 years, 8 months, and 8 days. He came to Michigan with his parents at the age of two and has always lived on the farm where he died.

He had been in poor health for a number of years and had given up all hopes of recovery since his son's death a year ago.

Walking to the Cemetery was one of his pastimes in the last year when weather permitted.

He was charitable along all lines, always wanting to help the distressed. He had always worked hard until poor health caused his retirement.

He leaves his lonely wife, nieces and nephews, many neighbors and friends, who will greatly miss him from his accustomed place."
