E.D. Barber made a Christmas present to-the Ralph Townsend family, of a fine bed complete to take the place of the one destroyed in their fire Tuesday evening. The bed burned was the one occupied by Bud and Pete and had the fire been later in the evening these bright little boys might have been burned severely.

Little Raymond Lee Foote, four year old son of Mr. and Mrs. Dale Foote, was badly injured by his father's truck Monday morning and was taken to Dr. McLaughlin's office where the xray revealed a bad-ly fractured thigh. It was thought best to take him to the University Hospital as his recovery will doubtless be long and tedious.

Mr. and Mrs. W. L. Gehman returned Monday evening from a two week's trip to Winona and Pueblo, Minn, where they visited Mrs. Gehman's daughter Mrs. Walter Ross and son Robert Wicksall. They were on their way home Sunday and as they neared Benton Harbor Mr. Gehman lost control of the car. He had been driving carecar were cut and bruised some but thinks the car becan skidding as he was following a street car rail and it dashed across the street in the path of a car and the two cars came together with considerable force, though neither were driving fast. The occupants of the other car were cut and bruised some nut no one seriously injured. Mrs. Gehand was taken to Mercy Hospital, of the wreck, and Monday afterjourney, thankful it was no worse, Mrs. John Ford and son, Jackie. fering much with her broken scap-

EARLY VERMONTVILLE HISTORY

Rutland, Vermont December 13, 1934

Mr. Vance F. Barber Vermontville, Michigan My dear Vance:

Last June I was appointed State Reconditioning Supervisor for the Benson, Vt., Dec. 9, 1934. State of Vermont under the Home Owners' Loan Corporation and have been located here in Rutland since that time. A few weeks ago I gave a talk before the local Rotary Club and in the course of my remarks I mentioned the fact that I was born in Vermontville, Michigan. This talk was duly reported in the Rutland paper the next morning and included this statement. Today. I happened to notice a letter written to the Herald a clipping of which I am enclosing. I understand there has been another article a-

mongst the belongings of your family there is a copy of the history of Vermontville which I believe was written by your uncle Edward. I would appreciate it if you would loan me this book long enough to enable me to abstract some of the data as to the settlement of Vermontville from it so that I may look up some of the records at this end of the line. I assure you that if you will send me this book I will give it the best of care and will return it to you promptly. If I am successful in gathering any interesting information I will be glad to send that to you also.

With my best regards to yourself and to any of my old friends in the village I am,

Very truly yours, Mark A. Hammond State Reconditioning Supervisor 106 Church St.

Rutland, Vt.

Benson Folks Vermontville Pioneers To the Editor of The Herald:-Several families went to Vermont-ville, Michigan, from Benson, Just when I cannot find but a letter in my possession written to Joseph Griswold is dated "Vermontville, March 20, 1849" and the contents would indicate that he had been settled there for some years.

I recall hearing my mother speak of "Uncle Roger Griswold" and his wife "Aunt Abigail" (Boscom), "Uncle Orrin Dickinson" and "Uncle Daniel Barber", all living in Vermontville, Mich. Roger and Daniel Griswold were brothers and Daniel Barber, I believe, was the father of Edward Barber the hist torian.

My parents, Mr. and Mrs. Albert J. Dickinson were married in 1865 and went to Vermontville on their wedding trip, visiting their relatives living there.

There must have been quite a Benson colony and I would like tof

know if these families were among the twenty actual first settlers. Florence B. Dickinson.
