

## Starts Career With Winning Season Vermontville Coach Robert Geling Surprises Fans With EBI Crown

Vermontville—At the helm of Vermontville's sensational basketball crew that has won 18 out of 20 court battles in making off with the Eaton-Barry-Ionia loop championship, Robert Geling has good reason to be proud, for he has achieved a success in his first year as a coach that many take several seasons to realize. Not only is his Wildcat quintet currently considered a top threat in class D state cage circles, but his baseball team is believed by EBI wiseacres as a near cinch to take the league crown this spring.

### Last Stars.

The exceptional record that Geling's cagers made this year proved quite a surprise to Vermontville fans, who thought the Wildcats, missing two of their stars from last year's team, would not be able to do better than the 8-won and 8-lost record set during the 1946-47 campaign.

Geling, who came to Vermontville immediately after graduating from Northern Michigan college at Marquette last summer, didn't lose any time in coming up with a winning combination. While most schools were fielding grid terms, Vermontville athletes put on their baseball suits with the start of school in the fall and continued play even after the world series flag was tucked away by the Yanks. The Wildcats, behind the sensational pitching of Kenneth Beardslee, who is also a regular on the hoop team, set an impressive fall record of five straight diamond victories. With baseball season just around the corner, Vermontville has high hopes of continuing its winning ways.

Not "cocky" with his early-found success, Geling expects the going to be far from easy for Vermont-

GELING.

ern Michigan college in making the varsity grid team three years, the cage team two seasons and the cinder squad three years. His summer vacations were spent as an employee of the conservation department, an athletic director at a camp and a guide in the Lake Estes-Lake Colonial chapel.

Mrs. McConkey, 81, of 919 S. Grand here from Milford, Ind., She was a member of the First Church of Christ, Scientist, a past president of the Lansing Women's club, past president and organizer of the Home Garden club, a member of the League of Women Voters, and formerly a board member of Women's home. Before moving to Lansing she was noble grand of the Rebekah Lodge in Milford, Ind.

from the years he spent as a star prepster and a collegiate ace, and the time he was able to devote to an army championship. From his immediate success at Vermontville one can readily see that he gained a lot of "coaching knowledge."

Geling, continued in athletics while serving in the armed forces, running baseball, basketball and boxing tournaments during the 13 months he spent in New Guinea. After returning to the United States, he coached a six-man football team at Will Rodgers field which won an army championship. From his

guiding athletic teams while in the service.

Wildcats face their first tournament Thursday against Woodland, a scrappy club which the popular Vermontville coach asserts may give his boys a lot of trouble before the smoke has cleared.

Hailing from the upper peninsula, Geling wrote a very impressive athletic record in three sports, football, basketball and track, while attending Graveraet High school. As a line-cracking fullback, he was named on the upper peninsula's all-star grid team when a junior. His other prep laurels include playing on the upper peninsula's championship class B quint in 1940 and setting a new record in the 440-yard run which has stood for seven years.

He found little trouble at North-
