To all the old friends and acquaintances of Eva Stinchcomb I heard today, with regret and sadness that she had passed away. I understand there will be graveside services at the field Cemetery for her on Saturday of this week, at 2:00 o'clock.

Chemicals have doubled in sales this spring; in fact, our are so heavy that it is almost a full time job for one man to answer the questions and keep track of the chemicals. We are very partial to Dow Formula 40 for spraying and Dorrgerge. These are the old reliable standbys, easy to use.
