One Hundred Years

Mrs. William Chamberlain, formerly Marian Sprague, has lived for a full century as of Friday, February 7, 1969.

Her parents came from New York and were some of the first pioneers to settle in the Maple Valley - Vermontville area.

She was born in a homemade log cabin on her father's farm and spent most of her youth in Vermontville.

Her family later moved into Charlotte where she attended high school. It was in Charlotte that she met and married her husband, Mr. William David Chamberlain, on June 29, 1896. They had four children, one daughter, Vera, and three sons, Carleton, Donald and William.

Marian Chamberlain is now living with her daughter in Detroit, Michigan and has seven grandchildren and four great-grandchildren.

In spite of her age she still enjoys gardening and has not lost her proverbial "Green Thumb." Her health, in general, is fair but her eyesight and hearing are failing.

Mrs. Esther Shepherd of Vermontville, was of great assistance in obtaining much of this information concerning the family history of Marian Sprague Chamberlain.
