## Doris Ellen Fickes

Doris Ellen Fickes passed away suddenly Friday, June 1, 1962 in Fremont, California, after a brief illness at 39 years of age.

She was the daughter of Mr. and Mrs. Everette Fezatte who live at 5407 Vermontville Highway. Born Sept. 24, 1922 at La-Branch, Mich., Menominee county. She leaves husband, Richard, daughters Joy and Susan, a son Gary, parents, one sister, Kathleen Rahfeldt of Okemos, three brothers, Richard of Pickford, Alvin of Flint, Irvin of Port Huron, several nieces and nephews.

She was flown home for burial to Hill's funeral home in Grand Blanc where they had lived till 3 years ago, when they moved to California.

Burial was June 6 in Flint Memorial Park. Services were by Rev. Richard Loob of Swartz Creek. Memorial services were also held in Fremont, California.

Walter Lamont Childs, the son of Joseph and Phenelia (Stillinger) Childs was born at Sunfield, Michigan July 7, 1876 and passed from this life September 24, 1962 after months of patient suffering.

He grew to manhood on the home farm one mile west of Sunfield. Here he was actively engaged in farming until strength no longer permitted. The last six years he has made his home with his cousins—the Swift Family—whose farm is in Northeast Castleton Township, where he will be missed; as he will be by the other relatives, friends, and neighbors. His immediate family, the parents, and sister Mabel, preceded him in death. The closest living relative is Miss Frances Childs, a double cousin, who lives at the Holliday Nursing Home in Charlotte.

Mr Childs was a shy, quiet, tho' friendly man. Only those who were privileged to see behind his reserve realized his true nature—his friendliness; also his desire for wisdom and righteousness. He was a man who liked to read—especially the Prophetic portions of the Bible.
