82. A bill authorizing the be to exceed a given number of a received 55 votes, and was de ruling which declared the bill passed on less than two-thirds of all the members-elect, under Sec. 45, of Art. IV of the constitution. The ruling of the speaker pro tem, was sustained.—H. J. 1885, pp. 1320-2.

The ruling seems to have been in accordance with the practice in passing bills of that kind, and yet bills making direct appropriations without the intervention of the board of control have been held to require a two-thirds vote. There is no reason for the distinction.
