"Dear Class of 2021  
I realize this isn't probably what you've all had in mind when you thought of your last and final year in high school. Things have been tough, many ups and downs, but we have all persevered through it. That being said, it is a life lesson to you all. When the going gets tough, the tough get going.....and you all got going. I love seeing your smiling faces and I remember back to when I had many of you in Kindergarten. I miss you all dearly and wish you the best of luck in whatever is next in your life. Shoot for the stars and make yourself, your family and MV proud. You have many people cheering you on!! GO LIONS!
