## TOP GAMES TO PLAY

### PA NDEMIC & GAMING & PARENTS

I think when I started playing *Fortnite* during the pandemic, my parents didn't mind because they knew I was connecting with friends that I couldn't actually go and hang out with.

—Clarice, The Rock Academy [CA]

My parents became more accustomed to the game and even figured out how to play it.

—Natalie, Sacred Heart School [MO]

## FRIENDS & GAMING

I'm the founder of an esports team, so gaming is both a social and business aspect in my life. —Zach, AITE [CT]

I play with my friends from school and have also made many friendships through online gaming.

—Quinn, Archbishop Curley High School [MD]

Gaming is a really big part of the pandemic. When we didn't have school and we couldn't go out because of the Coronavirus, we had to stay in. Games were really all we had. —

Abbi, Baltic High School [SD]

I usually play by myself.

—Thomas, Azle High School [TX]

I made a few friends through a game, but I can't meet them in real life. They live in California, and one lives in Hawaii.

—Rosston, Bernalillo High School [NM]

I can connect with my friends over games in ways that I couldn't otherwise.

—Brian, Hilbert High School [WI]

### TRUTH ON SPENDING

I will buy content to allow me to better myself cosmetically in the game.

—Tony, Harlan County High [KY]

I typically buy simulator games with expansion packs that add more to the game.

—Faith, SLAM Academy [NV]

I do not find it necessary to make purchases on things that I cannot even hold in real life.

—Addy, Atlantic Shores Christian School [VA]
